

Excellence in time clocking hardware

PeopleKey™ and PeopleKey Nexus™ are registered trademarks.

PeopleKey offers a leading range of robust and intuitive biometric scanners designed with industry needs in mind. Hassle-free in operation, our scanners provide optimal efficiency and security for physical access control, time and attendance recording.

We have successfully serviced most waged sectors including Construction, Warehousing, Aged Care, Logistics, Manufacturing, Food Processing and Hospitality since 1999.

Australian owned. Australian made.

Key Benefits

- Fast and reliable
- Fingerprints can't be stolen or forged
- Added convenience of facial recognition
- Eliminate buddy punching and wage theft
- Cost-effective and secure
- Indoor and/or Outdoor versatility
- Enhanced portability with mobile configurations

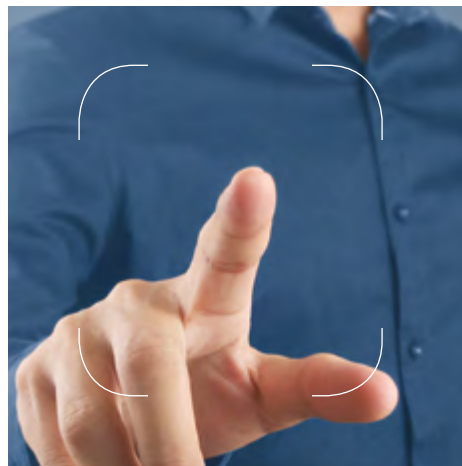

"What started as a targeted solution for our Sydney operation, was so successful that we've now rolled it out right across our Australian operation. Both the PeopleKey technology and the PeopleKey support team have been simply brilliant ... A great success by all measures."

Ed Pryor / National Business Systems Co-ordinator
Adbri Concrete & Aggregate

PeopleKey

5110

Camera Edition

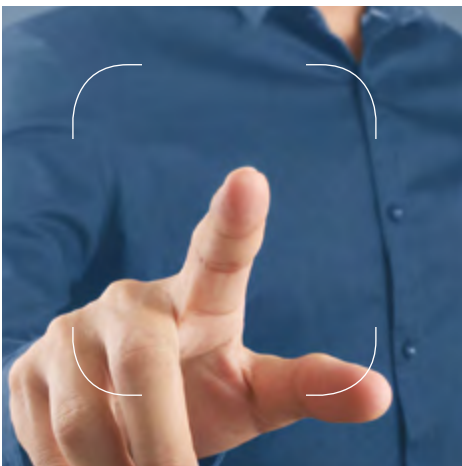

Our most advanced product, the PeopleKey 5110 (Camera Edition) adds the convenience of facial recognition along with the security of fingerprint scanning. The [PeopleKey 5110](#) leads the market in biometric technology, its accuracy, ultra fast processing times and ease of use make it ideal for all your time and attendance and access control needs.

PeopleKey

5100

Finger Scanner

Suitable for both indoor and outdoor use, this model is our popular entry-level finger scanner.

The [PeopleKey 5100](#) is available with interchangeable coloured covers, allowing it to effortlessly align with any decor or colour palette.

contactless

Proximity Card Reader

PeopleKey scanners can be configured to provide contactless clocking by adding an internal proximity card reader to your device. Scanners can also be housed in an optional construction case or mounting stand, perfect for rugged job sites and [clocking](#) mobility.

PeopleKey has supplied Australian and International customers with leading biometric device solutions since 1999.

Our Australian Made products and software solutions are developed and supported by experienced, professional, and local teams.

At PeopleKey we are passionate about biometrics. We believe biometrics is the best way to authenticate personal credentials. Our biometrics scanning technology leads the market in reliability, speed, privacy, ease of use, and value.
